

Quality Policy Statement

At Melvin Margaret Enterprise T/A MME Networks, we are committed to delivering products and services that consistently meet or exceed the expectations of our customers while complying with all applicable statutory, regulatory, and contractual requirements.

We are dedicated to establishing, implementing, maintaining, and continually improving an effective Quality Management System in accordance with the requirements of ISO 9001:2015.

To achieve this commitment, we will:

- Understand and satisfy the needs and expectations of our customers and other relevant interested parties.
- Deliver high-quality products and services through efficient, reliable, and controlled processes.
- Ensure compliance with applicable legal, regulatory, and customer requirements.
- Promote a culture of quality, accountability, teamwork, and continuous learning across the organization.
- Develop the competence of our employees through training, engagement, and effective communication.
- Establish measurable quality objectives and regularly monitor our performance to drive continual improvement.
- Foster mutually beneficial relationships with suppliers and business partners to enhance the value delivered to our customers.
- Continually improve the effectiveness of our Quality Management System through risk-based thinking, innovation, performance evaluation, and corrective actions.

Top Management is responsible for ensuring that this Quality Policy is communicated, understood, implemented, and maintained throughout the organization. The policy will be reviewed periodically to ensure its continued suitability and alignment with the strategic direction of Melvin Margaret.
